Check out our new group classes!!!! We have junior and adult classes for all skill levels.

·Beginning Junior Golf 101

This 4-week class is going to cover what it takes to enjoy the game as a junior golfer, and at the same time learn how to respect the game through learning the proper etiquette and technique playing when on a golf course. Students will learn the proper grip, stance, and posture as well as the full swing, chipping, putting and the tee-shot. Students should bring their clubs to the first class (if they do not have clubs they will be provided). This class does not provide any make-up days.
